

PROJECT DEVELOPMENT PHASE

sprint 2

Project Members - Harrish Kumar S (Team Leader)
Hariharasudhan A
Joshiba M
Irfan shakil S

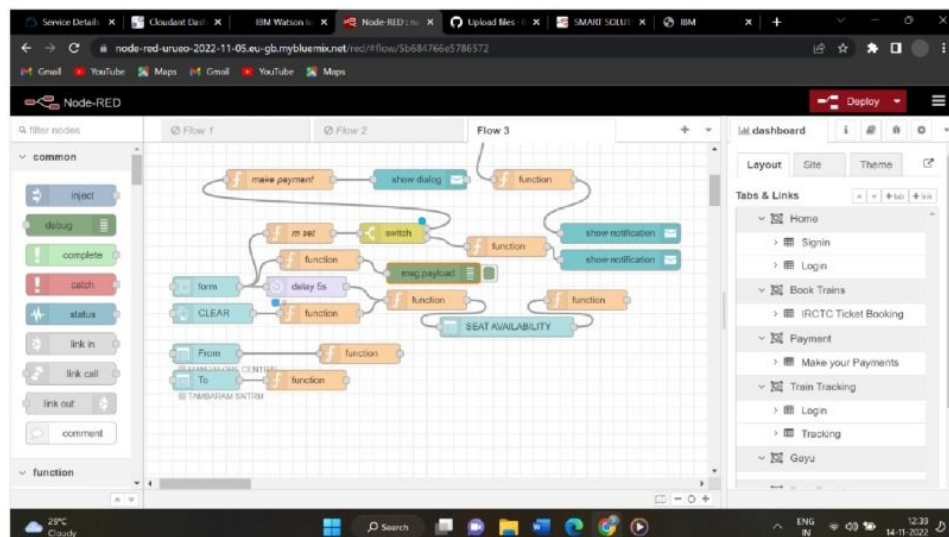

Date	18 NOVEMBER 2022
Team ID	PNT2022TMID26493
Project Name	Smart Solutions for railways

SPRINT 2 – Train Booking and Payments

After logging into the website, the user should enter the Travelling details (Boarding and destination status). The user must also enter their personal details. After providing the required details, they are directed to the payment tab.

In the payment section, the user should enter their card details such as NAME, CARD NUMBER and CVV. Once they complete the payment, the ticket will be generated. The user will receive an unique identification (QR code) which will be used for ticket verification.
